

2023 Big Game/Points Challenge

For a Horseshoe Tour Tournament game to qualify for the Big Game/Points Challenge, it must...

- 1) Be pitched during any round of a tour event.
- 2) Be pitched by players in the 40' or 30' divisions only.
- 3) Also, exceed a player's entering NatStat ringer percentage.
- 4) Any player participating in an event will receive 3 additional "travel points".

Perfect Games (30 ringers):

Perfect games can be pitched by any player during any round of a Tour event, and will be rewarded \$100.

Notes:

All five tournament sites are participating in the Big Game/Points Challenge at some level. Big Game points will accumulate all season long, and players will be paid via check once the final event is completed, and records are checked and verified for accuracy. Updated summary reports showing Big Game/Points standings after each event during the year will be posted online at www.thehorseshoetour.com. Players are expected to monitor their own results and immediately report any possible errors to Ron Taylor, 803-412-8226.
